NOTE:

All Divisions and/or Departments should again become familiar with NAVAIRLANT/NAVAIRPAC CV SHIP II INSTRUCTION 1080.1A and USS CORAL SEA INST 1080.1A SUPP 1 dated 30 January 1969, with respect to the proper method of submission of muster reports. On 23 September 1969, upon getting underway for deployment, a total of 41 unauthorized absentees were listed, when in actuality, there were only 14 actual UA's. This is uncalled for, additional work, and could create a very embarrassing situation for the command. Please review the above instructions and re-emphasize the need for accurate musters. Further, all muster reports must be signed by Department Heads or Ass't Department Head in his absence.
