REMARKS

~~00-04~~ Moored starboard to pier 3N, US Naval Air Station, Alameda, California with standard mooring lines doubled, head and stern wires, and three storm pendants. The starboard anchor is resting on a barge under the bow with several fathoms of chain extended while conducting maintenance on it. The ship is cold iron and receiving various services from the pier. The ship's firemain system is secured while being overhauled. Auxiliary hoses are rigged shipwide with 85 psi water pressure being maintained aboard provided by pumps on the pier. Ships present include: USS Enterprise (cva 65), USS Hancock (cva 19), USS Wabash (aor 5), and various yard and district craft. SOPA is Radm Guest, Commander Twelfth Naval District at US Naval Station, Treasure Island, California.
